From the Principal's Desk

Dear students,

Education is an effective medium of social transformation which empowers a nation and makes youngsters immensely capable of facing future challenges with resilience and optimism. Since the inception of the college in 1959, our sole purpose has been to instil right values in our students so that they develop a holistic personality and are ready to take on the challenges head on once they step out of the gates of their Alma mater. We provide them an exclusive learning experience by teaching them to march ahead with positive attitude, skill, confidence, sensitivity, and responsibility and make our students competent enough to stand tall amongst others with their extraordinary skills and come out victorious from the realms of this challenging labyrinth.

We emanate and sprinkle an atmosphere which is conducive to the all-round development of the personalities of students through a blend of the modern and Vedic education. With a plethora of extra - curricular activities, the students gain optimum exposure and acquire confidence. An array of seminar and extension lectures on various vibrant social issues equip students to manage various challenges of globalized competitive world. We strive hard for a vibrant and dynamic academic atmosphere to make our students notable change makers of society.

We propose to introduce Learning Management System (LMS) in letter and spirit to make effective teaching-learning environment and will start more skill-oriented courses to open new vistas for students. The aim is to make learning an enriching, fulfilling, and enjoyable experience through a multidisciplinary approach, combining theory and practice in pedagogy. The words of Swami Vivekananda "Arise! Awake! And stop not till the road is reached" act as our motto and watchword that will always inspire the youngsters throughout their lives.

I assure you of nurturing and caring environment that will help you all blossom into empowered and sensitive human beings. The nurturing they you will get from the college would definitely help you become the future leaders and role models of society.

All the best !

COLLEGE PROFILE

LR DAV, College, Jagraon (Punjab) is a Multi- faculty Co-educational Pioneer Institution of North India, affiliated to Panjab University, Chandigarh and Managed by DAV CMC, New Delhi. The College made a humble beginning in 1959 by the strenuous efforts of R K Trust established by the spartan freedom fighter Lala Lajpat Rai in fond memory of his revered father Sh Radha Krishan ji. It has the privilege of being the oldest co-educational institute of the region which initially provided three-year degree courses in Arts and Science Streams. In 1987, the institution was taken over by DAV CMC, New Delhi founded in 1886 in Lahore by the efforts of Mahatma Hansraj, Lala Lajpat Rai, Rai Bahadur Lal Chand and many more. Gradually, DAV evolved as not only an educational movement; but a Faith, a Tradition and a way of life.

We are proud to be part of rich legacy of this 64-year-old institution that has achieved rare milestones in its eventful history and became sanctimonious with the pious footprints of such tall figures as Lal Bahadur Shastri, S. Partap Singh Kairon, Maharaja Gaikwad of Baroda, Manish Tiwari, Ravneet Singh Bittu, and several others whose names are inscribed on many marble plaques unveiled by them on different occasions. We have been in constant benedictions of these supreme souls and expect the Davian's to tread their footprints.

Providing a blend of modern and Vedic education has been the motto of the college since decades. To achieve this end, we at DAV, Jagraon impart traditional courses such as B.A and B.SC as well as profession-oriented courses like BCA, BBA, B.COM, M.Com. An array of Add-on courses in Fashion Designing, Cosmetology, Insurance Business, Computer Based Accounting, Short Term Courses like IT Enabled Services, Computer Fundamentals, Web Designing and Diplomas like PGDCA make the students fully competent for carving a niche in the globalized world.

TEN PRINCIPLES OF ARYA SAMAJ

1. God is the primary source of all true knowledge and of all that can be known through it.
 2. God is Existent, Intelligent and Blissful. He is Formless, Almighty, Just, Merciful, Unborn, Infinite, Unchangeable, Beginning less, incomparable, Immortal, Fearless, Eternal, Holy and the Maker of the Universe. To Him alone worship is due.
 3. The Vedas are scriptures of true knowledge. It is the duty of all Aryas to read them, hear them being read and recite them to others.
 4. We should always be ready to accept the truth and give up untruth.
 5. All actions should be performed in conformity with Dharma, that is after due consideration of right and wrong.
 6. The primary aim of the Arya Samaj is to do good for all, that is, promote their physical, spiritual and social well being.
 7. We should treat all people with love, fairness and due regards for their merit.
 8. We should aim at dispelling ignorance and promoting knowledge.
 9. One should not only be content with one's own welfare, but should look for it in the welfare of others also.
 10. One should regard oneself under restrictions to follow altruistic rulings of the society, while all should be free in following the rules of individual welfare.
